PUBLICATIONS

Doctorate thesis (Dr. med.)
C. Krüger (1991) The radio-immunological measurement of 17-hydroxyprogesterone in non-extracted saliva and its importance for therapeutic control in congenital adrenal hyperplasia (21-hydroxylase deficiency) (German). University of Göttingen, Germany

Master thesis (MIH)
C. Krüger (2009) Immunization status of infants in a remote area in rural Tanzania. Curtin University of Technology, Perth, Australia

Journals

Abstracts

18. **C. Krüger** (2006) How can German paediatrics contribute to the improvement of international child health (German)? *Monatsschrift Kinderheilkunde* 154: Suppl. 1, abstract DGKJ-PS-225 (CD-Rom)

### Books and Book Chapters

6. **C. Krüger** (2008) Quality of clinical services in ambulatory and hospital settings (Ch. 5.2) (German). In: O. Razum et al.: Child Health in Developing Countries. Peter Lang-Verlag, Frankfurt am Main. 123-132

7. J. Breckenkamp, **C. Krüger**, O. Razum, P. Reitmaier (2008) Current situation and trends in international child health (Ch. 2.1) (German). In: O. Razum et al.: Child Health in Developing Countries. Peter Lang-Verlag, Frankfurt am Main. 19-32

### ORAL PRESENTATIONS

2. C. Krüger: Global Strategies on Strengthening Maternal, Newborn, Child and Adolescent Health within the Sustainable Development Goals (SDGs) (German). 112th Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Hamburg, 14.-17.9.2016 (invited)

3. C. Krüger: Skilled birth attendance, maternal and neonatal mortality and stillbirths rates in Asia (German). 112th Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Hamburg, 14.-17.9.2016

5. C. Krüger: ENAP: Every Newborn - an action plan to end preventable deaths (German). 42nd Annual Meeting of the Society for Neonatology and Paediatric Intensive Care, Mannheim, 2.-4.6.2016 (invited)

9. C. Krüger: Stillbirths, neonatal and childhood deaths are frequent in poor families in rural Tanzania (German). 30th Annual Meeting of the German Association for Tropical Paediatrics, Eisenach, 27.-29.1.2012

15. C. Krüger, I. Malleyeck, T. Krüger: Childhood tuberculosis (Ch-TB) in Haydom/Tanzania: clinical presentation and diagnostic problems. 5th Symposium on Research in International Health, Wageningen, 1.6.2006

18. C. Krüger: Children in resource-poor families in developing countries do not necessarily benefit from public health interventions in child health (German). 101st Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Bremen, 29.9.-2.10.2005

20. C. Krüger: Neonatal health in resource-poor countries (German). 11th Annual Meeting of FIDE (Women’s Health in Development Co-operation), Bruchsal/Heidelberg, 6.11.2004 (invited)

21. C. Krüger: Childhood diseases have a different clinical course in the tropics (German). Annual Meeting of the
22. C. Krüger, M. Niemi, H. Espeland, I. Malleyeck, N. Naman, O.H.E. Olsen: Long-term impact of changes in obstetric and neonatal care on perinatal (PMR) and early neonatal mortality (eNMR) at a rural hospital in Tanzania. 3rd Symposium on Research in International Health, Amsterdam, 19.5.2004

23. C. Krüger: Disorders of glucose metabolism under parenteral nutrition in preterm infants < 1500 g (German). 12th Workshop „Heimparenterale Ernährung im Kindes- und Jugendalter“, Frankfurt/Main, 7.11.2003

24. C. Krüger, M. Niemi, I. Malleyeck, N. Naman, O.H.E. Olsen: Improving obstetric and neonatal care: its impact on maternal (MMR), perinatal (PMR) and early neonatal mortality (eNMR) at Haydom Lutheran Hospital, Tanzania (German). 21st Annual Meeting of the German Association for Tropical Paediatrics, Essen, 24.-26.1.2003

29. C. Krüger: Epidemiology of some perinatal and postnatal infections in newborns in developing countries (German). 97th Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Freiburg, 13.-16.9.2001

33. C. Krüger: The dual role of church hospitals in Africa - and not only there!? (German) 15th Annual Meeting of the German Association for Tropical Paediatrics, Kiel/Damp, 24.-26.1.1997

35. C. Krüger, P.H. Heidemann, H.G. Dörr: Simultaneous diurnal 17-hydroxyprogesterone (17-OHP)-profiles in saliva and serum of patients with 21-hydroxylase deficiency (congenital adrenal hyperplasia) (German). 92nd Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Lübeck, 14.-17.9.1996

38. J.P. Guggenbichler, C. Krüger, J. Scharf: Therapy of severe bacterial infections in premature and term newborns with Imipenem/Cilastatin - therapeutic results (German). 2nd Annual Meeting of the German Association for Paediatric Infectious Diseases, Leipzig, 5.-6.11.1993

**POSTER PRESENTATIONS**

5. **C. Krüger**, F. Klammer, T. Haug, K. Balhorn, G. Kirchner, S. Wild, G. Bräucker: Gluteal *Salmonella enteritidis* abscess in a 14-year old, healthy girl returning from southern Africa (German). 111th Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, München, 2.-5.9.2015

7. **C. Krüger**, N. Naman, I. Malleyeck: Severe injuries inflicted by hyena and leopard attacks on three children in the Mbulu and Yaeda Valley area in Tanzania. 33rd Annual Meeting of the German Association for Tropical Paediatrics, Mainz, 6.-8.2.2015

10. **C. Krüger**, C. Toschke, I. Malleyeck: Ingestion of foreign bodies in children in Germany and Tanzania (German). 109th Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Düsseldorf, 12.-15.9.2013

15. **C. Krüger**: Preventive interventions to improve child health in resource-poor countries: a critical analysis (German). 102nd Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Mainz, 14.-17.9.2006
16. **C. Krüger**: How can German paediatrics contribute to the improvement of international child health (German)? 102nd Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Mainz, 14.-17.9.2006

17. S. Bittmann, F. Dönmez, A. Winkler, **C. Krüger**: Infantile myofibromatosis in a neonate (German). 102nd Annual Meeting of the German Association of Paediatrics and Adolescent Medicine, Mainz, 14.-17.9.2006

18. K. Kull, **C. Krüger**, M. Krawinkel: Mothers’ attitudes and knowledge about nutrition during pregnancy and lactation and towards infant feeding in Haydom, Tanzania (German). 39th Scientific Congress of the German Nutrition Society, Jena, 14.-15.3.2002

28. J. Scharf, **C. Krüger**, J.P. Guggenbichler: Therapy with Imipenem/Cilastatin in preterm and term newborns - tolerance and side effects (German). 2nd Annual Meeting of the German Association for Paediatric Infectious Diseases, Leipzig, 5.-6.11.1993

OTHER PUBLICATIONS AND ORAL PRESENTATIONS (not peer-reviewed)

PUBLICATIONS

21. C. Krüger (2005) The Bolivian Safety of Alternative Weaning Food (BoSAWeFo) Study. Research proposal draft as partial fulfilment for the “Master in International Health” studies at Curtin University, Perth, Australia

Proceedings of 22nd Symposium for Neonatology and Paediatric Intensive Care Medicine of the DÖGNPI. Acron-Verlag, Berlin, 274-276

**ORAL PRESENTATIONS**

1. C. Krüger: ENAP: Every Newborn - an action plan to end preventable deaths (German). Meeting of the working group of neonatologists, Münsterland, Münster, 07.09.2016
2. C. Krüger: Neonatal care in low-income countries. College of Health Sciences, University of Dodoma, Tansania, 27.05.2016 (invited)
3. C. Krüger: Childhood emergencies (German). Meeting for paramedics, Firebrigade Ahlen. Ahlen, 10.03.2016 (invited)
4. C. Krüger: Childhood tuberculosis in Tanzania (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 15.-19.02.2016 (invited)
5. C. Krüger: Global Child Health. TropPaed course – Child Health in the Tropics, German Society of Tropical Paediatrics & International Child Health, Gießen, 01.02.-05.02.2016 (invited)
6. C. Krüger: Improving intensive care for infants, children and adolescents in Tanzania (German). Rotary-Club Halle/Westfalen, 17.11.2015
7. C. Krüger: Postgraduate training of paediatric residents – the example of Tanzania (German). Medical Mission Conference, Bad Blankenburg, 13.-15.11.2015
8. C. Krüger: Integrated management of childhood illness. TropPaed course – Child Health in the Tropics, German Association for Tropical Paediatrics, Würzburg, 02.02.-06.02.2015 (invited)
9. C. Krüger: Improving neonatal and child health in rural Tanzania. College of Health Sciences, University of Dodoma, Tansania, 22.-29.11.2014 (invited)
10. C. Krüger: Long-distance travel and migration – child health in focus (German). Seminar at the Department of Paediatrics, Clemens-Hospital Münster, Münster, 30.09.2014 (invited)
11. C. Krüger: Neonatal care under simple conditions (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 21.-25.07.2014 (invited)
12. C. Krüger: Paediatric care at district hospitals in developing countries (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 21.-25.07.2014 (invited)
13. C. Krüger: Neonatal care under simple conditions (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 03.-07.02.2014 (invited)
14. C. Krüger: Paediatric care at district hospitals in developing countries (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 03.-07.02.2014 (invited)
15. **C. Krüger**: Integrated management of childhood illness. TropPaed course – Child Health in the Tropics, German Association for Tropical Paediatrics, Würzburg, 27.01.-31.01.2014 (invited)
17. **C. Krüger**: Special investigations in newborn infants in the presence of maternal thyroid autoimmune disease (German). Meeting of the neonatal intensive care unit, EVK Hamm, 12.11.2013 (invited)
18. **C. Krüger**: Childhood emergencies (German). Meeting for emergency physicians and paramedics. Beckum, 12.09.2013 (invited)
19. **C. Krüger**: Neonatal care under simple conditions (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 08.-12.07.2013 (invited)
20. **C. Krüger**: Paediatric care at district hospitals in developing countries (German). Seminar „International Health and Tropical Medicine“. Institute of Medical Microbiology, University of Göttingen, 08.-12.07.2013 (invited)
21. **C. Krüger**: Special investigations in newborn infants in the presence of maternal thyroid autoimmune disease (German). Meeting of the working group of neonatologists, Münsterland, Münster, 03.07.2013
22. **C. Krüger**: „Helping Babies Breathe“: Teaching on neonatal resuscitation and care. Training course for physicians, midwives and nurses (English and Swahili). Bagamoyo District Hospital, Bagamoyo/Tanzania, 19.-30.11.2012
23. **C. Krüger**: Childhood emergencies (German). Meeting for paramedics, Firebrigade Ahlen. Ahlen, 12.11.2012 (invited)
24. **C. Krüger**: Childhood emergencies (German). Meeting for paramedics, Firebrigade Ahlen. Ahlen, 22.03.2012 (invited)
25. **C. Krüger**: The critically ill neonate. TropPaed course – Child Health in the Tropics, German Association for Tropical Paediatrics, Würzburg, 29.02.-04.03.2012 (invited)
26. **C. Krüger**: Immunisation in childhood (German). St. Franziskus Hospital, Ahlen, 15.12.2011
27. **C. Krüger**: Neonatal care in a obstetric-neonatal centre (level 3) (German). Meeting at the St. Franziskus Hospitals Ahlen, Ennigerloh, 30.11.2011
28. **C. Krüger**: Immunisation in childhood (German). Meeting for midwives, St. Franziskus Hospital, Ahlen, 16.11.2011 (invited)
29. **C. Krüger**: Vaccination and vaccine-preventable diseases. TropPaed course – Child Health in the Tropics, German Association for Tropical Paediatrics, Würzburg, 02.-06.02.2011 (invited)
30. **C. Krüger**: Abdominal pain in children (German). St. Franziskus Hospital, Ahlen, 11.11.2010
31. **C. Krüger**: Childhood emergencies (German). Beckum, 03.11.2010
32. **C. Krüger**, O.E. Olsen, E. Mighay, M. Ali: Immunization status of infants in a remote area in rural Tanzania (English and Swahili). Haydom/Tanzania, 03.05.2010
33. **C. Krüger**: Asphyxia of uncertain etiology (German). Meeting of the working group of neonatologists, Münsterland, Münster, 10.03.2010
34. **C. Krüger**: Disorders of the respiratory tract in childhood (German). Meeting of medical staff, St. Franziskus Hospital, Ahlen, 08.03.2010
35. **C. Krüger**: Asphyxia (German). Intensive course of tropical paediatrics, German Association for Tropical Paediatrics, Würzburg, 05.-07.02.2010 (invited)
36. **C. Krüger**: Neonatal infections (German). Intensive course of tropical paediatrics, German Association for Tropical Paediatrics, Würzburg, 05.-07.02.2010 (invited)
37. **C. Krüger**: Care of preterm and low birth weight infants (German). Intensive course of tropical paediatrics, German Association for Tropical Paediatrics, Würzburg, 05.-07.02.2010 (invited)
38. **C. Krüger**: Neonatal care in a centre for perinatal medicine (German). Meeting for obstetricians and midwives, Department of Gynaecology and Obstetrics at the St. Barbara-Klinik Hamm-Heessen, Hamm, 16.12.2009 (invited)
39. **C. Krüger**: Beyond neonatal centers of excellence: community-based neonatology in developing countries
